Sir,

Adverting to para 5 of Proceedings of Government No. 6634-7 L.F. 128-95 dated 9th Instant, in regard to the Budget estimates of the Bangalore District for 1896-97, I have the honor to state that the Municipal clerical work in Dod. Ballapur town has at present to be managed by a peon, and is therefore very unsatisfactory. Every little work has to be estimated for and accounts therefor kept in the prescribed manner. It is barely necessary to remark that this work far transcends the capacity of a peon.

2. I therefore beg that a Municipal Mutsaddi on Rs 8/- may be sanctioned for Dodballapur out of the savings of Rs 240/- as pointed out in my letter No. 450 dated 2nd November 1896.

Sir,

I have the honor to state that according to the sanctioned Municipal Budget of Mādadi, the Conservancy establishment of the town should be

1 Peon at	Rs 5-0-0	= Rs 5
2 Sweepers "	5-8-0	= " 11
4 — Do. — "	5-0-0	= 20
3 — Do. — "	4-0-0	= 12
10		Rs 48.

But the Board has been employing 11 men, without however exceeding the Cost of 48 Rs., as per margin. This was rendered necessary by the Board having had to employ the wives of some Sweepers, without whom the men could not be secured. The extra person is further indespensible

1 Peon		Rs 5-0-0
1 Sweeper @ Rs 5/4/-		= 5-4-0
2 — do — "	5/—	= 10-0-0
2 — do — "	4/4/—	= 8-8-0
4 — do — "	4/—	= 16-0-0
1 — do — "	3/4/—	= 3-4-0
11		Rs 48-0-0

owing to the struggling nature of the Municipality, made up of 4 detached towns, separated from one another by more than ½ a mile.

The Comptroller, however, objects to the number of Sweepers being in excess of the Budget strength and requires the sanction of Government therefor. See Copy of Docket enclosed

Under these circumstances, and as no additional cost is involved, I request the sanction of Government to the same.

Sir,

In reply to Government Order No. 7911 L.7 128-95 dated 14th January 1897, enquiring who has hitherto been doing the clerical work in the Doddaballapur Municipality, I have the honor to state that as pointed out in para 6 of this office No 450 dated 2nd November 1896, the clerical work has hitherto been done by the Peon in the Doddaballapur municipality, without however much detriment to supervision over the sweepers &c.

Municipal work has become more and more systematic and exacting, and a clerical hand is indispensable as pointed out in my No D 633 dated 18th December 1896, not only in this town, but in all Municipalities. The time for such work being done anyhow by any one is long past, and I venture to urge that true economy lies in having responsible officials for specialized work.

3. As regards the Peon, he is also indispensable

indispensable, as his duties cannot be kept

savings of Rs 240/- as pointed out in para

Letter No. 7408/22nd Jany 97 from the Dy. Comr. of Bangalore, reporting with reference to Govt. Proc. No. 7911 L.7.128 dated 9/14th ult. videm, that the clearing of the Doddallapur municipal tank has hitherto been done by a contractor that the Inunel work has become more & more systematic & exacting, that the entertainment of a clerk of works is indispensable and that the person should remain as the work cannot be done by a mestri.

Order thereon No. 9029-30 L.7.128-95 10th Feby 97

Sanctioned

that a Mutsaddi on Rs. 15 per mensem is necessary for performing the clerical work of the Doddallapur tank, in addition to the peon who has hitherto been looking after it and that the cost may be met from the saving of Rs. 240 due to the non-utilization of the provision made in the current year's Budget for the Hd. Budget for the hire of conservancy carts.

Sir,

I have the honor to state that the town of Channapatna contains streets and lanes of the total length of about 13 miles. To remove the sweepings and the night soil therefrom, the Government sanctioned only one cart in the Municipal Budget for 1896-97. This has been found from experience to be utterly insufficient for the purpose and from the neighbourhood certain epidemics have been reported. I therefore request that a sum of Rs 120/- may be sanctioned for another cart out of the closing balance, viz. Rs 1019/- at the credit of the Municipality as a special case, as there is no other source for the expense.

I have the honor to state that the numerous Musalmans residing in the fort of Dodballapur have no well and the want of water is much felt. There is one in the moat behind the fort, but it not easily accessible. It is at a distance from the inhabited quarters and there is not much water in it. It is therefore proposed to sink a drawing well in the fort of Dodballapur at a cost of Rs 300/-, the net from the closing balance of Rs 1373/, as no other provision exists under any of the sanctioned Budget heads.

2. Every facility for water requires to be made this season, and in the absence of any other resource, I am obliged to trench on the ordinarily prohibited "closing balance" Sanction is accordingly solicited for the enclosed estimate being paid therefrom.
